

Hyner Run State Park

This small tent and trailer camping area by the park office is mostly forested. It has modern campsites (electric, non-electric, and pet-friendly) with a sanitary dump station, firewood concession, and modern restrooms with warm showers. The shower house and one electric campsite are ADA accessible. Donut Hole Trail System runs through the park. The swimming pool, picnic area, and pavilions, are nearby.

CAMPING SEASON: This campground opens in early April and closes in early December.

RESERVATIONS: Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check at the office or near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards; personal, traveler's, and cashier's checks; or a Pennsylvania State Parks Gift Card. To receive a confirmed reservation, full payment must be received within ten days of making the reservation.

CAMPSITE ISSUING: Advance reservations are available for all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions and check the site availability listing.

ALCOHOLIC BEVERAGES: Alcoholic beverages are prohibited in all Pennsylvania state park campgrounds.

QUIET HOURS: Campers must not disturb the sleep of others between 9:00 PM and 8:00 AM.

NOISE: Operation of electric generators that create excessive noise is prohibited. Generators are prohibited during quiet hours.

OCCUPANCY: Site occupancy is limited to one family unit (persons living under one household) or five unrelated people per site. Occupants must include at least one person 18 years of age or older at all times.

MOTOR VEHICLES: Park only in designated areas; parking in grass is prohibited. Only one vehicle is permitted at a campsite in addition to a camping unit. If permitted, additional vehicles can park on the camping spur for a fee or in the second car parking area at no charge.

VISITORS: Visitors are welcome on campsites from 8:00 AM to 10:00 PM.

Firearms and archery equipment used for hunting may be uncased and ready for use only in authorized hunting areas during hunting seasons. Protect and Preserve Our Parks

Please make your visit safe and enjoyable. Obey all posted rules and regulations and respect fellow visitors and the resources of the park.

- Be prepared and bring the proper equipment. Natural areas may possess hazards. Your personal safety and that of your family are your responsibility.

- Please camp only in designated areas and minimize your impact on the campsite.

- Prevent wild fires. Fires are only permitted in grills and provided fire rings. Gas and propane camp stoves are permitted. Fires must be attended at all times and extinguished before leaving a campsite. Properly dispose of hot coals.

- Firewood is not provided. Firewood may be purchased from the firewood concession. Cutting live or standing trees and the operation of chainsaws are prohibited.

- Firewood Advisory: Firewood may contain non-native insects and plant diseases. Bringing firewood into the park from other areas may accidentally spread pest insects and diseases that threaten park resources and the health of our forests. Use local firewood. Do not take wood home and do not leave firewood. Burn it!

- Handwashing and dishwashing are permitted only where appropriate facilities are available. Washing is prohibited at water spigots, hand pumps, springs, lakes, and streams.

- Because uncontrolled pets may chase wildlife or frighten visitors, pets must be physically controlled, attended at all times, and on a leash, caged, or crated. Electronic fences and leashes are prohibited.

- Do your part to keep wildlife wild! Enjoy wildlife from a safe distance and do not feed or approach wild animals. Human food is unhealthy for animals and animals dependent on human food can lead to dangerous human-animal encounters.

- Please recycle. Place trash accumulated during your stay in proper receptacles or take it home with you.
