

Tuttle Campground

In the central part of Pymatuning State Park, Tuttle Campground is pet-friendly with modern campsites and glamping sites. Most campsites are full-hookup. The Great Gathering Friends and Family Site allows tents and three full-hookup camping units for up to 15 total people. A sanitary dump station, modern shower house, boat launch, fish cleaning station, and coin-operated laundry facilities are also in the campground.

Six glamping sites are available in partnership with Timberline Glamping. Glamp in comfort and style in a spacious safari tent featuring hotel-style beds with linens, air conditioning, heat, electric, refrigerator, and coffee maker. Glamping sites do not have water, but a shower house is nearby.

State Park Reservations: Most campsites can be reserved 11 months in advance to noon of the day of arrival. For reservations, cancellations, or changes prior to arrival, contact the Pennsylvania State Parks Reservation Center at 888-PA-PARKS or www.pa.gov/state-parks.

Glamping Reservations: Glamping sites must be reserved in advance through Timberline Glamping. www.timberlineglamping.com

Campsite Issuing: Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions and check the site availability listing. The appropriate fee must be paid before setting up on a campsite.

Fees: For complete information on fees, cancellations, changes, transfers, and discount policies, view the Reservation Cancellation/Change Policy on the Pennsylvania State Park website.

Protect and Preserve Our Parks

Please make your visit safe and enjoyable. Obey all posted rules and regulations and respect fellow visitors and the resources of the park.

- Be prepared and bring the proper equipment. Natural areas may possess hazards. Your personal safety and that of your family are your responsibility.
- Please camp only in designated areas and minimize your impact on the campsite.
- Prevent wild fires. Fires are only permitted in fire rings or grills. Fires must be attended at all times and extinguished before leaving a campsite. Properly dispose of hot coals.
- Firewood is not provided. Cutting live or standing trees and the operation of chainsaws are prohibited.
- Handwashing and dishwashing are prohibited at water spigots, hand pumps, springs, lakes, and streams.
- Because uncontrolled pets may chase wildlife or frighten visitors, pets must be physically controlled, attended at all times, and on a leash, caged, or crated. Electronic fences and leashes are prohibited.
- Do your part to keep wildlife wild! Enjoy wildlife from a safe distance and do not feed or approach wild animals. Human food is unhealthy for animals and animals dependent on human food can lead to dangerous human-animal encounters.
