CHERAW STATE PARK

Cheraw State Park takes traditional recreational park activities to a new level of fun. The 18-hole, championship Cheraw State Park Golf Course winds its way through piney woodlands while maintaining and protecting the surrounding natural habitat of the park. Seventeen RV/tent campsites, nine cabins and five rustic tent sites are available for overnight guests.

Cypress wetlands line Lake Juniper and can be explored by kayaks and canoes or via a boardwalk that runs along the lake. Try fishing from the boardwalk or by boat, or take time to explore other areas of Cheraw on the park's biking and hiking trails.
