5 REELFOOT LAKE STATE PARK SOUTH CAMPGROUND

6812 Hwy 21 W | Tiptonville, TN 38079

Our campground on the south end of the lake is full of nature, beautiful scenery, and offers an escape from the today's world. Campground has 86 sites with electric, water, and grills. There are two bathhouses which contain shower facilities, a picnic shelter, and a boat ramp. Lake side campsites are located among the cypress trees which make for a great place to see the sunrise and sunset over the lake. The south campground is open year-round, and you may make reservations online at www.tnstateparks.com or by phone at 731-253-9652. The Broad Slough Trail is approximately 1/2 mile and overlooks Reelfoot Lake. Great spot for photos when the moon is full.

6 KIRBY POCKET

5026 W Hwy 22 | Hornbeak, TN 38232

Photographers will enjoy beautiful sunset views at this location, which also features an ADA-accessible kayak launch and prime canoeing and kayaking during the June lotus bloom. Fishermen and duck hunters can utilize the boat ramp and cleaning station, and a large fish is on display for memorable photos.

7 REELFOOT NATIONAL WILDLIFE REFUGE (NWR) VISITOR CENTER

4343 US Hwy 157 | Union City, TN 38261

The visitor center provides information about the diversity of flora and fauna that call Reelfoot home. The museum has excellent exhibits on waterfowl and other wildlife. A "backyard" trail is open dawn to dusk on the visitor center property. Nature programs are available.

8 REELFOOT NWR - GRASSY ISLAND WILDLIFE DRIVE

Walnut Logging Rd | Union City, TN 38261

Just a mile north of the Reelfoot NWR Visitor Center is the Grassy Island Wildlife Drive. Woodland birds and mammals can be seen on a leisurely drive or walk through this portion of the NWR. Along the way there is a gravel/boardwalk trail. The drive ends at an observation platform overlooking Reelfoot Lake and provides an awesome view of sunsets over cypress filled waters. Approximately 5 miles round trip.

REELFOOT LAKE AUTO TOUR

BAYOU DE CHEIN

36.494223, -89.301054 | Union City, TN 38261

The "River of the Dogs" flowed through this area long before the earthquakes formed the lake and it can still be traced through the lake to the Obion River. The farm road along the bayou makes an excellent walking trail for observing wildlife. The walk is about a 3-mile round trip. Area is closed Oct 15- March 15.

REELFOOT NWR - LONG POINT UNIT

9 Long Point Rd | Hickman, KY 42050

Several gravel roads offer excellent wildlife viewing through open fields and woods in spring/summer. The area is a migratory bird hotspot, with thousands of ducks and geese visible from the observation tower in winter.

Gravel roads are closed to access from November 15-March 15 for waterfowl, but the observation tower is open year-round.

STATE PARK AIRPARK

3120 SR. 213 | Tiptonville, TN 38079

The airpark area includes a 14-site campground with bathhouse, 3500' airstrip (no fuel), and the Airpark Trail (approx. 2 miles). If you want seclusion, this area is excellent for tent & RV camping. Sites include electric, water, picnic table, fire ring, a dump station, and a nearby boat ramp for lake access.

REELFOOT WILDLIFE MANAGEMENT AREA

Black Bayou & Phillippy | Tiptonville, TN 38079

The wildlife management area (WMA) provides a home for several species of birds, making it a bird-watchers paradise. Ducks and eagles can be seen in the winter months and early spring while herons and other wading birds walk through the shallows.

BLACK BAYOU OBSERVATION TOWER

710 Choctaw McKutchen Rd | Tiptonville, TN 38079

Observation tower looks over the landscape in a field and is accessible. Second section of Black Bayou is down the road and has a gravel road along Black Bayou Waterfowl Refuge. It is another great area to observe wildlife. A trail is available for hikers to walk from the parking area. It is a great place to see woodland birds and mammals from the observation deck. Approximately 2 miles.

REELFOOT WILDLIFE MANAGEMENT AREA

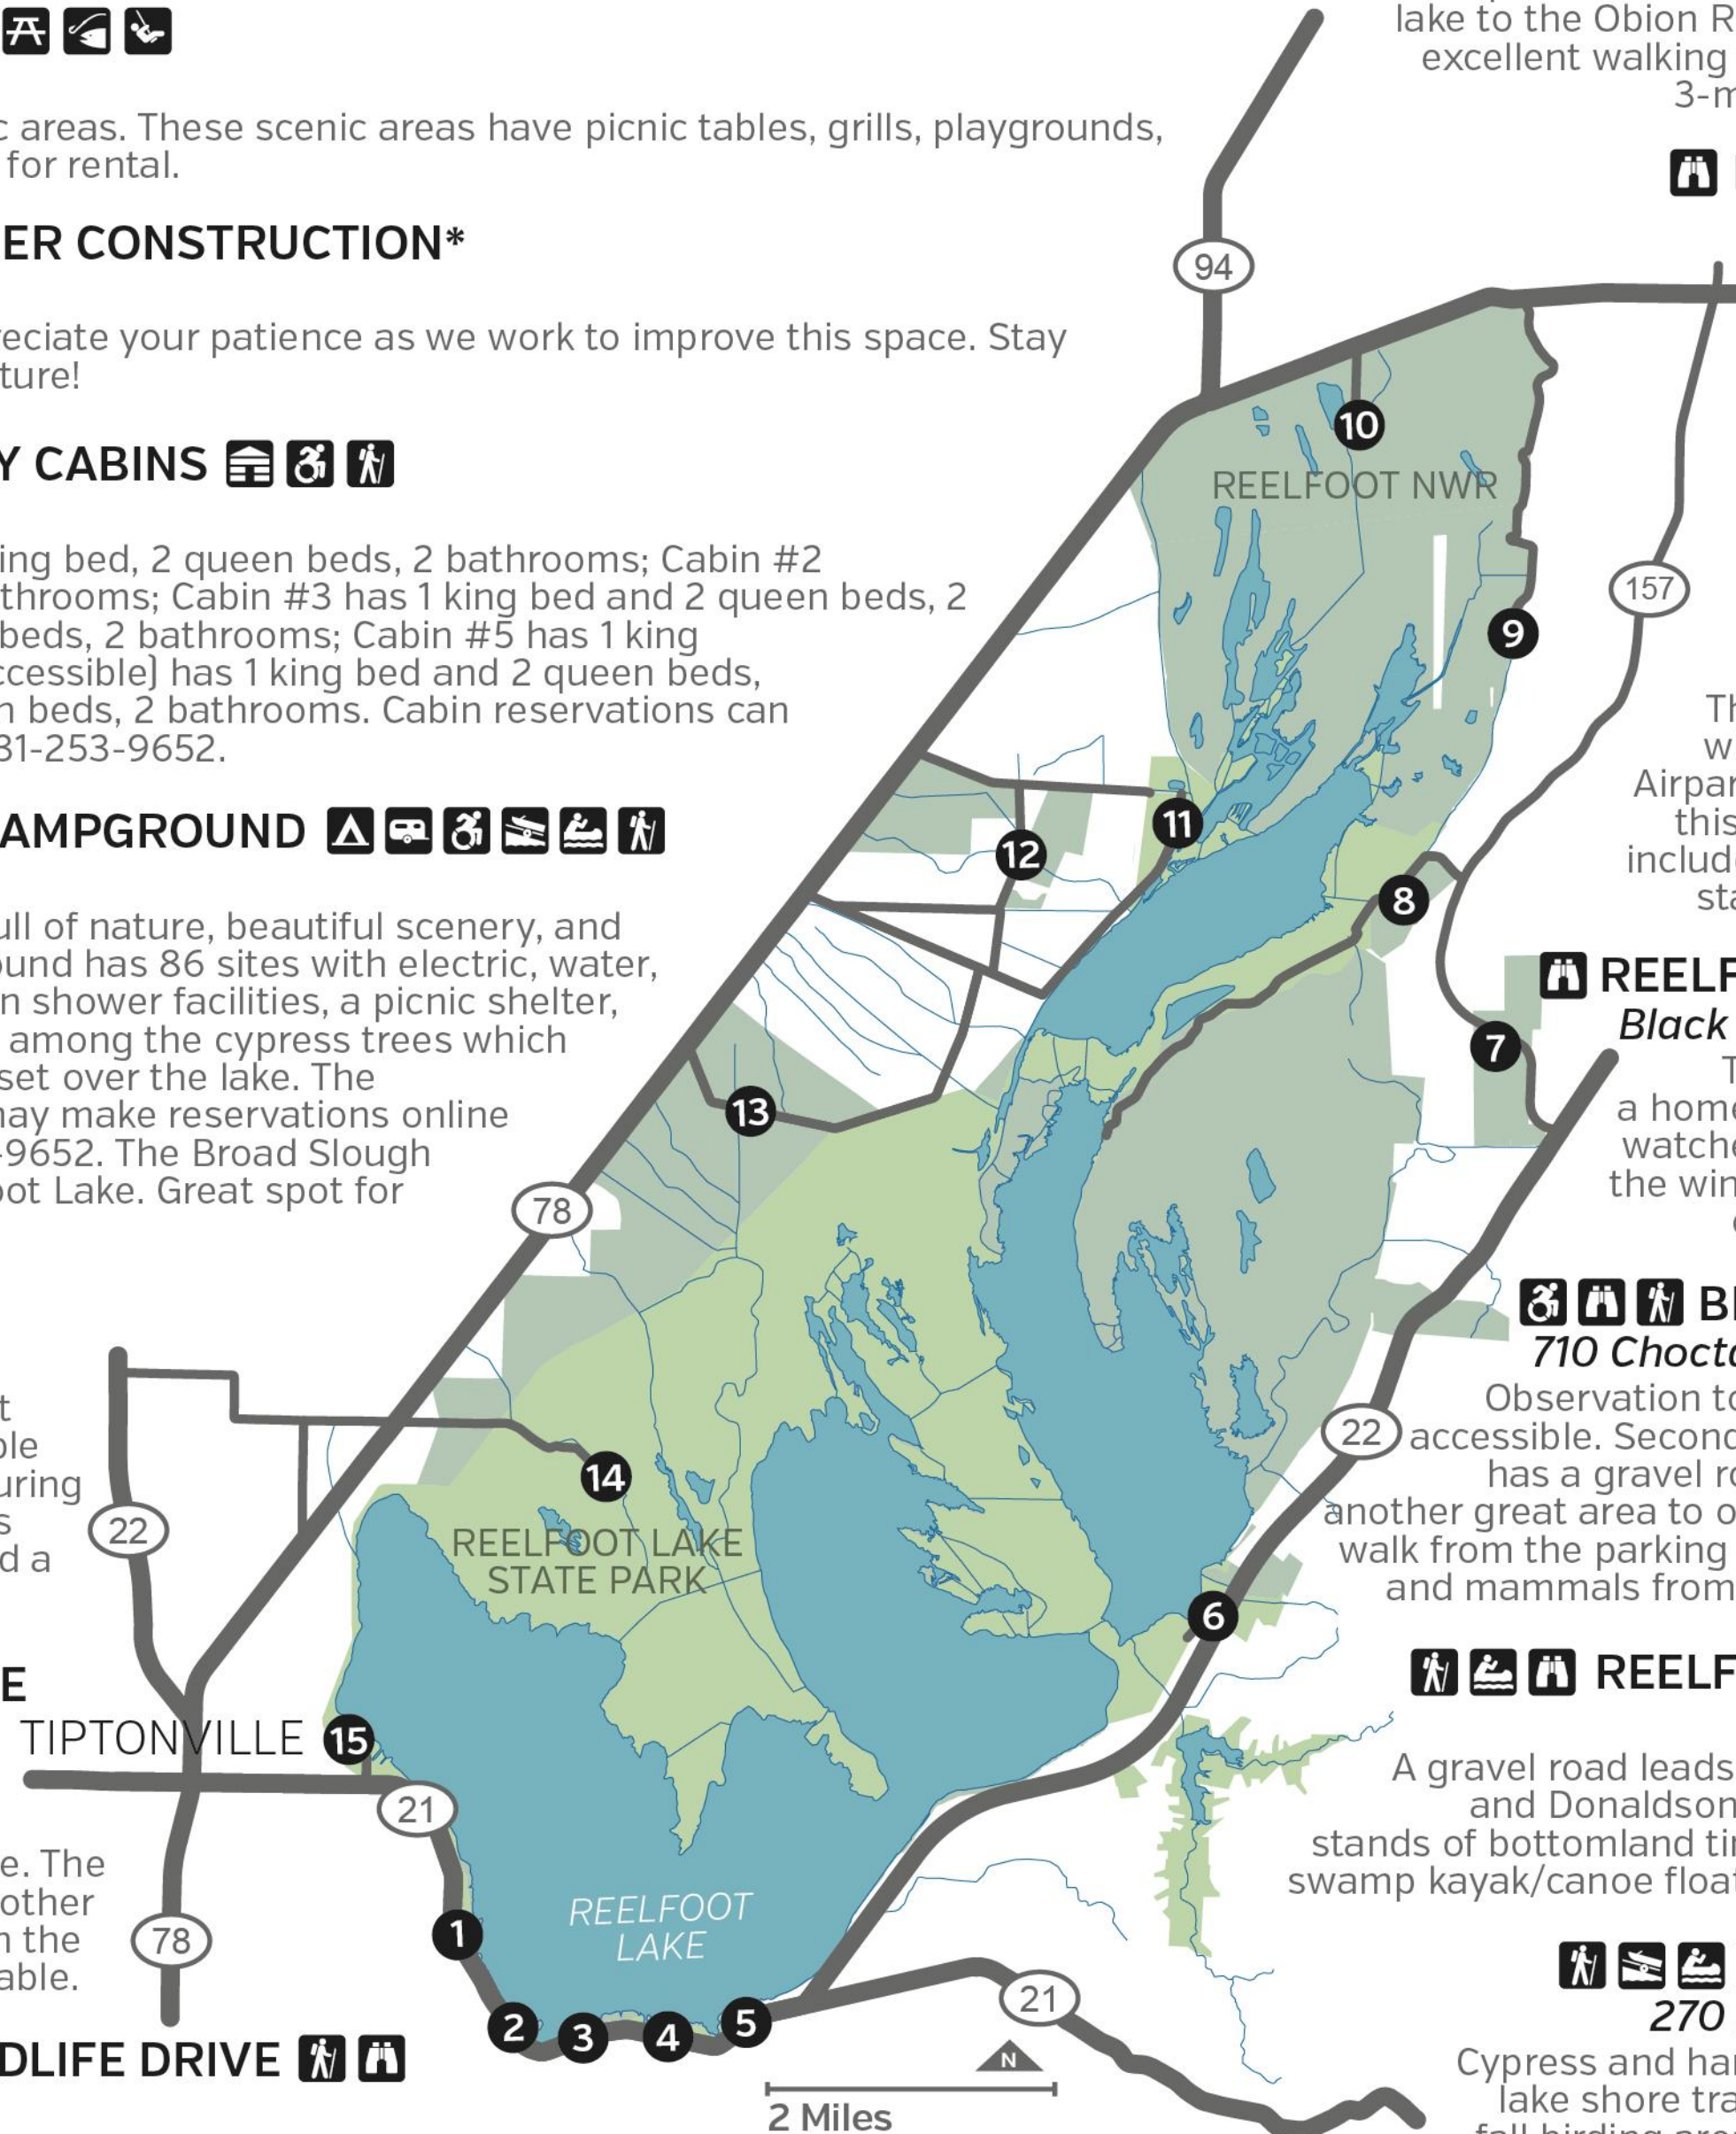

Carrington Rd | Tiptonville, TN 38079

A gravel road leads back to an old roadbed near Little Ronaldson and Donaldson Ditch. This trail goes through fields and large stands of bottomland timber. Approximately 2 miles round trip. Deep swamp kayak/canoe floats are conducted on weekends in March/April.

KEYSTONE HIKING TRAIL

270 Keystone Park Ln | Tiptonville, TN 38079

Cypress and hardwood timber prevail on Reelfoot Lake's only lake shore trail. This 1 1/2 mile trail is a wonderful spring and fall birding area. This spot also has a boat ramp, fishing pier, and a picnic shelter with restrooms available to rent.
