Big Spring State Park

Explore like others drawn to the Big Spring in the past.

As you ascend Scenic Mountain, take in the views of Big Spring and the three ecosystems that merge here. Imagine the many feet that have traversed the sides of the bluff to gaze across the landscape. Enjoy this oasis in the Permian Basin where local history and nature blend together.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

BIKE SAFELY. Check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS MAY LIVE HERE. You'll see them more easily if you stay on trails. Do not approach wildlife!

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to harm people.

Take only memories and pictures. Disturbing or removing any of the park's plants, animals or artifacts is a violation of state law.

Keep pets on leashes for their safety, and to protect wildlife.

Don't add Graffiti. Protect the cultural and natural resources for future generations.
