## Take to the trails for adventure!

Remnants of historic Texas Blackland Prairie provide important habitat for prairie wildlife and migratory birds here at Cedar Hill. The clay-like consistency of the soil becomes very tacky when wet. Trails are often closed during wet conditions to prevent erosion. Be sure to check with the office or park Facebook page for any trail closures.

### STAYING SAFE

**KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

**DRINK PLENTY OF WATER.** Your body quickly loses fluids when you’re on the trail. Bring a quart (32 oz.) of water per hour of activity. Bringing your furry-friend? Don’t forget water for them, too!

**TELL OTHERS WHERE YOU’LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

**BIKE SAFELY.** Always ride to your skill level. Wear a helmet to protect yourself in case of a crash.

**POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE.** You’ll see them more easily if you stay on trails.

**BRING A MAP.** Keep an eye on trail signs to help orient you in case of an emergency.

**FOR EMERGENCIES, PLEASE CALL 9-1-1.**
