STAYING SAFE

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET WHEN BIKING. Check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS MAY LIVE HERE. You'll see them more easily if you stay on trails. Do not approach wildlife!

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to harm people.

Take only memories and pictures. Please don't disturb or remove any of the park's plants, animals or artifacts.

Campfires are permitted only in designated rings and not in the primitive camping area due to potential for ground scarring and wildfires.

Use only your muscles. To protect park resources, no motor vehicles are allowed on the trails.

Share the trail. Hikers yield to equestrians; bikers yield to hikers and equestrians.
