STAYING SAFE

- KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.
- DRINK PLENTY OF WATER.** Your body quickly loses fluids when you’re on the trail. Bring a quart (32 oz.) of water per hour of activity.
- TELL OTHERS WHERE YOU’LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.
- BIKE SAFELY.** Check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.
- STAY ON TRAILS.** Trails help you avoid harmful plants and animals.
- YOU MAY NOT BE ABLE TO CONNECT.** It’s a good idea to take along a cell phone and GPS unit, but don’t count on them.
- SAY NOPE TO THE ROPE.** Rope swings are dangerous and are on private property. Life jackets are recommended, too.

TRAIL ETIQUETTE

- Trash your trash.** Keep the park natural. Pack out all of your trash and Leave No Trace.
- Leave feeding to nature.** Feeding wild animals will make them sick and more likely to harm people.
- Take only memories and pictures.** Please don’t disturb or remove any of the park’s plants, animals or artifacts.
- Keep pets on leashes** for their safety, and to protect wildlife.
- Campfires are permitted only in designated rings** due to potential for ground scarring and wildfires.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
